

Project ReGeneration 2011

Dear Applicant,

Thank you for applying for the 2011 Project ReGeneration Program!

We are looking forward to another great Summer of Service. We are excited to tell you that this year participants will earn a **\$500 scholarship** upon completing 100 hours of service in Project ReGeneration that can be applied towards your higher education - this is a down payment on your future! Due to restrictions on the Learn & Serve America grant that makes the \$500 awards possible, only youth **entering 6th – 9th grade in the fall in Marin and Sonoma counties** are eligible to participate in Project ReGeneration. Positions are open until filled.

All applicants will be contacted directly regarding next steps for admission into the program.

Thank You,
Marilee Eckert
Executive Director
